ACADEMIC & INTELLECTUAL ACHIEVEMENTS

1st Place - School Science Fair. Keira earned first place in her school science fair, adding a recent STEM achievement to an academic profile that also shows strength in language and creative disciplines.

DEL F A1 French Certification - 87/100 (2023). Component scores: 21/25 listening comprehension, 23/25 reading comprehension, 20/25 written production, and 23/25 oral production.

Robo Blasters - 2022 Championship Winner. As a member of the winning robotics team, Keira contributed to the assembly of the competition robot and programmed robot movements.

ACADEMIC INTERESTS & CREATIVE DIRECTION

Keira is especially interested in understanding people, perspectives, and the stories behind everyday life. That curiosity has developed into an interest in communication and storytelling through journalism, video, photography, and audiovisual media. She creates video/content for her flag football team and participates in school theater, giving her opportunities to explore both production and performance.

Her current university interests include programs in **Communication, Journalism, English, Media, and Film/Video Production**, with a particular interest in documentary and visual storytelling.

LEADERSHIP, SERVICE & RESPONSIBILITY

Experience	Academic / Personal Development
U8 Flag Football Assistant	Helps younger players during training; develops communication, responsibility, patience, and leadership.
Community Service	Has participated in supporting/sponsoring a child from a low-income family.
School Theater	Participates in theater productions, supporting communication, expression, collaboration, and confidence.
Media / Video Work	Creates audiovisual and social-media content for her flag football team.
Summer Work	Works during the summer in her family's business, adding practical responsibility and work experience.

LANGUAGES

Spanish: Native | **English:** Bilingual academic coursework | **French:** DELF A1 certified (87/100)

ACADEMIC DIRECTION

Keira hopes to pursue a university education that combines rigorous academics with opportunities to communicate, investigate, create, and tell meaningful stories. Her profile brings together academic achievement, athletics, STEM exploration, languages, creative media, theater, service, leadership, and work experience.

Prepared as a concise academic and admissions portfolio profile for the Fall 2027 university application cycle. Official transcripts, certificates, awards, and supporting documentation should be provided separately when requested by an institution.
