PLAYER PROFILE

Quarterback: Keira continues to develop her field vision, accuracy, timing, decision-making, pocket movement, and ability to deliver the football while moving. Competition at multiple levels has exposed her to different opponents, defensive looks, and game situations.

Safety: Her experience on defense gives her an additional perspective on spacing, coverage concepts, passing lanes, and how defensive players read quarterbacks and routes.

LEADERSHIP & CONTRIBUTION

In addition to competing, Keira assists with the **U8 flag football category**, helping younger players during training. This role allows her to contribute to the sport beyond her own competition while developing communication, patience, responsibility, and leadership.

COLLEGIATE GOAL

Keira's goal is to continue developing as a quarterback and compete in collegiate women's flag football. She is looking for a program where she can learn from experienced coaches, compete at a higher level, contribute to her team, and continue growing as both a student and an athlete.

Recruiting materials: Game highlights, individual game clips, quarterback training film, academic records, awards, and recommendation materials are available through Keira's recruiting portfolio.

Statistics and competitive achievements in this profile are based on information supplied by Keira's family and should be supported with available game records, film, or certificates when submitted to recruiting programs.
